EXPERIENCE

As a civil engineering graduate from Florida State University and soon to be MBA graduate from Morgan State University, PHC brings a wealth of knowledge and experience to every project.

Our expertise in project management consulting, home inspections, loan signing and notary services, and design-build construction services allows us to deliver high-quality results and exceed client expectations. We are committed to providing cost-effective solutions while maintaining the highest standards of safety, quality, and sustainability.

Our team is dedicated to ensuring that every project is completed on time, within budget, and to the client's satisfaction. With our comprehensive range of services, PHC is your trusted partner for all your consulting, real estate investing and construction service's needs.
