

Donation Request for underprivileged children Christmas gifts

As we are approaching this festive season for Christmas, Maryland Minority Contractors Associations, Inc. are excited about our 5th annual donation drive for toys, games, art supplies, bikes, dolls, gift cards, clothing, under garments, and shoes, for children ages 2 – 16 years.

We are asking the opportunity to request your support for our Christmas donation drive. Your organizations goodwill for the underprivileged children of our Baltimore communities is greatly appreciated. Christmas is a precious time, and we like to celebrate it with a little extra for the children.

We will be collecting donations including checks (Cash App & Zelle) from 10/31/2024 – 11/26/2024. Maryland Minority Contractors Associations, Inc. is open to scheduling a pickup date and time that meets your availability.

This will bring a lot of joy to so many little girls and boys.
