

ELITE DRILLING, INC

CAPABILITY STATEMENT

Elvis Luviano (Owner) | 410-209-7929 | El.EliteDrilling@gmail.com|

COMPANY OVERVIEW

Elite Drilling Inc is a minority-owned small business horizontal directional drilling company providing solutions for the environmental industry using trenchless technology to install electric cables, fiber, gas, telecommunication, water lines, conduit, and other underground utilities for both residential and commercial clients. In addition, we also use other methods to install utilities like pneumatic boring or open trench. Our mission is to get the job done right the first time by preventing downtime to complete each projects by its due dates.
