

SanDow Construction, Inc. (SanDow), is a full-service General and Environmental Contractor. SanDow has over a decade of project management experience as both a prime contractor and a subcontractor, with an emphasis on **safety** and **responsiveness** to our clients' needs.

As a General Contractor, our projects run the gamut from small interior renovations to additions, new construction, infrastructure repair, Design/Build and both selective interior and complete building demolition. As an Environmental Contractor, we self-perform hazardous remediation services including Asbestos, Lead, Mold, PCB's, Bird Waste and other Biohazards through-out the Mid-Atlantic and New England regions.
