PRiSM Compliance Management User Group and Advancing Minds Education Services (AMES) is pleased to present COMPASS Conference 2019 for Economic Inclusion, September 29 - October 3, 2019. The COMPASS Conference returns to the Baltimore Waterfront where Economic and Diversity Professionals from across the world converge to show how to effectively *Navigate the Way to Economic Inclusion*.

Policy adoption is the first path to having a more inclusive workforce and supply chain; yet many organizations reach crossroads at implementation. Our attendees will learn how to implement effective economic and diversity practices and establish performance metrics and reporting that yields success and transforms businesses and communities. We guarantee that COMPASS participants will gain knowledge and tools that when leveraged will positively impact your organization's workforce, bottom-line, as well as small and diverse businesses.
