MBE firms are encouraged to respond to this solicitation notice.

It is the goal of the Maryland Department of Transportation (MDOT) that MBE firms participate in all contracts, and the Contractor is encouraged to utilize MBE subcontractors when there is opportunity to do so. Based on the total contract dollar amount, the MDOT MAA has established a minimum overall goal and subgoals as follows:

Overall MBE Contract Goal	Zero percent	0%
• African American-owned Business	Zero percent	0%
• Hispanic American-owned Business	Zero percent	0%
• Asian-owned Business	Zero percent	0%

Minority Business Enterprise (MBE) firms may elect to be dually certified as Woman-owned Businesses and as members of an ethnic or racial category. For purposes of achieving any gender or ethnic/racial MBE participation sub goals in a particular contract, an MBE firm that has dual certification may participate in the contract either as a Woman-owned Business or as a business owned by a member of a racial or ethnic minority group, **but not both**.

WARNING – PLEASE READ:

- ◆ **A firm must be listed in the MDOT MBE/DBE Directory with the gender category in order to be used to meet the gender subgoal.**
- ◆ **A firm must be listed in the MDOT MBE/DBE Directory with an ethnic/racial category in order to be used to meet the ethnic/racial subgoal.**
- ◆ **A firm must be listed in the MDOT MBE/DBE Directory with both the gender and ethnic/racial categories in order for a contractor to have the option of selecting which of those categories it will use for the firm on a State contract.**
- ◆ **Contractors should designate whether the MBE firm will be used as a woman-owned business or as a business owned by a member of a racial/ethnic group before calculating the percentage of MBE participation goals and subgoals they intend to meet.**

Maryland’s MBE/DBE Directory will reflect the dual certification status. You can access the MBE/DBE Directory at <http://mbe.mdot.state.md.us>. Firms with dual certification will now be listed as follows:

Example:

ABC Corporation, Inc.
 123 Corporate Circle
 Hanover, MD 21076
Female/African American
 00-000

By submitting a response to this solicitation the Bidder agrees that this amount of the contract be performed by one or more MBE firms **(including the classifications of MBE specified)**. A Prime contractor, including an MBE prime contractor, must accomplish the MBE subcontract goals with certified MBE subcontractors. A prime contractor comprising a joint venture that includes MBE/DBE partner(s) must accomplish the MBE subcontract goal with certified MBE/DBE subcontractors.

As an option for meeting the MBE/DBE participation goal set out for this procurement in part or in total, the Maryland Aviation Administration strongly encourages joint venture partnerships between the prime and MBEs/DBEs.

In accordance with COMAR 21.11.03.10(E), all contracts containing Minority Business Enterprise Program Goals must include the Liquidated Damages Provision as found in Special Provisions Section MBE-4.04.

There is no Veteran-Owned Small Business Enterprise (VSBE) subcontract participation goal for this project.
