**Allegany County Department of Public Works
Cumberland, Maryland
North Branch Sewage Pumping Station Upgrade**

Sealed Bids for the construction of the North Branch Sewage Pumping Station Upgrade, Contract Number S-89, Project Number 541N will be received, by Allegany County, at the office of the County Administrator, Brandon Butler, at The County Office Complex, 701 Kelly Road, Suite 405, Cumberland, Maryland 21502, until 3:00 PM local time on August 20, 2019, at which time the Bids received will be publicly opened and read. The Project consists of constructing upgrades to an existing sewage pumping station including retrofit of an existing sewage wet well to add a grinder and davit crane, retrofit of an existing sewage wet well to add submersible sewage pumps, a davit crane, and a passive odor control system, replacement of an existing dry well with a new precast concrete valve vault, retrofit of an existing pre-engineered precast concrete building, and a new pre-engineered precast concrete building.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis as indicated in the Bid Form.

The Issuing Office for the Bidding Documents is: Allegany County Department of Public Works, 701 Kelly Road, Suite 300, Cumberland, Maryland 21502. Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Fridays between the hours of 8:00 a.m. to 4:00 p.m., and may obtain copies of the Bidding Documents from the Issuing Office as described below.

Bidding Documents also may be examined at the office of the Engineer, GHD Inc., Melford Boulevard, Suite 330, Bowie, Maryland 20715, on Mondays through Fridays between the hours of 9:00 a.m. to 5:00 p.m. Additional plan room locations are available on the bidder's list on our website – www.gov.allconet.org.

Printed copies of the Bidding Documents may be obtained from the Issuing Office, during the hours indicated above, upon payment of \$250.00 for each set in the form of a check or money order payable to the Allegany County Commissioners. If mailing of documents is requested, a separate check or money order payable to the Allegany County Commissioners in the amount of \$25.00 per set must be included to cover handling and postage fees. No refunds will be made for the return of Bidding Documents. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

A pre-bid conference will be held at 10:00 AM local time on July 16, 2019 at the County's office at 701 Kelly Road, Suite 300, Cumberland, MD 21502, followed by a tour of the pumping station. Attendance at the pre-bid conference is mandatory. Bids will not be accepted from Bidders that do not attend the pre-bid conference.

Bid security shall be furnished in accordance with the Instructions to Bidders. Bidder qualifications are identified in the Instructions to Bidders. The Project will be in accordance with the requirements of the United States Department of Agriculture, Rural Utilities Service. Contract Times are identified in the Agreement.

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

Owner: Allegany County
